Preface

January 2016

Compilation and dissemination of Foreign Trade Statistics (FTS) is one of the core activities of Bangladesh Bureau of Statistics (BBS). Considering the importance of FTS, BBS has been compiling and publishing it on an annual basis since 1973-74. Since February 2007, BBS has been publishing **Monthly Release** on FTS to satisfy the users' need. It is an outcome of the BBS efforts towards the improvement of FTS.

This monthly release is based on the data available from National Board of Revenue (NBR) and Bangladesh Bank (BB). NBR provides export and import data on goods while BB provides such data on services. We are thankful to NBR and BB which have continued to help us in providing data in bringing out this publication.

Data presented in this publication are provisional and subject to revision. All these provisional data will be subsequently reviewed and revised. The revised data will be presented in the upcoming issues.

I firmly believe this Monthly Release will play a significant role as an effective market research tool to planners, policy makers, researchers, the business community and others. Comments and suggestions from users regarding any inclusion, omission or presentation of data for improvement of the publication are most welcome.

My great appreciation is due to officials of National Accounting Wing of BBS and its Foreign Trade Statistics section for their relentless efforts to make the work a success.

Any comment /Suggestions will be highly appreciated.
